

California Active Transportation Program Symposium October 22-23, 2025

Welcome Remarks:
Alissa Kendall
Director, ITS Davis

You are on Patwin Land.

We should take a moment to acknowledge the land on which we are gathered. For thousands of years, this land has been the home of Patwin people. Today, there are three federally recognized Patwin tribes:

- **Cachil DeHe Band of Wintun Indians of the Colusa Indian Community,**
- **Kletsel Dehe Wintun Nation, and**
- **Yocha Dehe Wintun Nation.**

The Patwin people have remained committed to the stewardship of this land over many centuries. It has been cherished and protected, as elders have instructed the young through generations. We are honored and grateful to be here today on their traditional lands.

UCDAVIS Land Acknowledgement Statement

ITS Davis is the World's Premier University Center for Sustainable Transportation

Bringing Science to Policy since 1991

60 academic and affiliated faculty researchers

100 affiliated graduate students

Host an interdisciplinary graduate program

Generate 200+ publications/year

More than 80 partnerships with outside entities

Centers devoted to many aspects of sustainable transportation, from improving active transportation in California to developing transportation solutions for emerging economies

ITS Davis's Unique Strengths

Engage actively and deliberately with our stakeholders and other researchers

Develop multi- and interdisciplinary Solutions

Draw upon social sciences, engineering, environmental sciences, etc.
Reflected in research and education programs

Focus on solutions and impact

Translate research to policy and practice

Launched in 2019

Research on active transportation & **building** collaborations between academics, governments, advocates, and private industry

Developed the California Active Transportation Benefit/ Cost Tool

bicyclingplus.ucdavis.edu

TRANSLATING RESEARCH INTO PRACTICE

Supporting the administration of the Active Transportation Resource Center since 2024

research to practice ↔ learning from practitioners

**ACTIVE TRANSPORTATION
RESOURCE CENTER**
