

ATRC On the Move: Synergy 2021 Teleconference (11.16.21)

ATP NI Awardees Program Year-End Sharing and Virtual Networking

ADDITIONAL RESOURCES

California Active Transportation Resource Center (ATRC): Houses a myriad of resources for Non-Infrastructure (NI) projects as well as past trainings. Sign up to receive notices for trainings and newly released guidance documents on the ATRC. <https://caatpresources.org/>

Caltrans Sustainable Transportation Planning Grant Program: This site provides detailed information on the grant program, along with the Caltrans Sustainable Transportation Planning Grant Application Guide. <https://dot.ca.gov/programs/transportation-planning/regional-planning/sustainable-transportation-planning-grants>

ATP NI-related Funding Opportunities Oct 2021 webinar: This webinar reviews two State active transportation-related non-infrastructure funding programs, one focused on plans and another on education and encouragement. We also explore how to leverage existing local funding sources and other technical assistance resources available to help agencies' non-infrastructure applications be more competitive. <https://caatpresources.org/1580>

Caltrans Sustainable Transportation Planning Grant Program: This site provides detailed information on the grant program, along with the Caltrans Sustainable Transportation Planning Grant Application Guide. <https://dot.ca.gov/programs/transportation-planning/regional-planning/sustainable-transportation-planning-grants>

California Office of Traffic Safety's "Grant Electronic Management System" (GEMS): The next OTS application period will begin in December 2021. Grants are for 1 year last year OTS funded 300 projects. Use GEMS to submit your application. It also provides an efficient and paperless system for allocating funds, application entry, budgeting, tracking expenditures and carryover, monitoring grant performance, and supporting the development of reports required by state and federal agencies. <https://www.ots.ca.gov/grants/gems/>

San Luis Obispo Council of Governments (SLOCOG)'s Bitmoji classroom - Walk to School Day Bitmoji and Bike to School Day Bitmoji: SLOCOG developed these bitmoji classrooms during the COVID-19 pandemic when schools were operating remotely, as part of their Safe Routes to School program:

Walk to School Day bitmoji:

San Luis Obispo Council of Governments (SLOCOG)'s Survey Tool: SLOCOG developed this survey to gain a better understanding of travel patterns and transportation needs of SLO County's K-12. This information is being used by the Safe Routes to School Program (SRTS) at SLO Regional Rideshare, a division of SLO Council of Governments, to: support infrastructure improvements, cater active transportation curriculum, and apply for SRTS grant opportunities. Link to the 2021 Safe Routes to School Family Survey:
